PERSONAL SUMMARY

I am a self-motivated, technologically competent, third year student studying a Bachelor of Games and Interactive Environments at the Queensland University of Technology and am currently seeking an internship and potential employment to further my career within the IT space.

PROFESSIONAL EXPERIENCE

Cairns AV Hire July 2019
Assistant Audio Technician
Within this position, I helped set-up and run the audio for the Atherton Royal Show (Regional Carnival/Agriculture Competition). My key responsibilities involved working as part of a team to run the event and packing up all equipment after the event.
Achievements
- Co-coordinated all aspects of sound production for the Royal Atherton Show
- Gained experience in working on large scale projects within a team setting under deadlines

Hungry Jacks Annerley 2021 – 2022
Crew Member
Throughout my time at Hungry Jacks, I learned many processes including cleaning/maintaining equipment, load management, food preparation and creating a positive work environment store during overnight periods. These skills aided in teaching me the importance of teamwork within a workplace.
Achievements
- Employee of the Month in January 2022
- Gained understanding of how a corporate business operates and many general procedures

Treasury Casino & Hotel 2022 – Present
Croupier
As a dealer, within the casino I underwent 5 weeks of full-time training to learn the games to make me able to perform my duties.
Achievements
- Was deemed competent to deal nine separate games
- Have been internally commended many times for my work
